

Puppy Deposit Agreement

By placing your NON-Refundable/Tranferrable Deposit \$500 via Zelle for the selected puppy you have agreed to the following Health Warranty:

NON-REFUNDABLE/TRANSFERABLE DEPOSIT

Deposits are NON Refundable for ANY reason unless at the well puppy checkup my vet finds a health issue that makes the puppy unfit for purchase. If this should happen I will call you to discuss the issue and your options would be 1) refund of your deposit, 2) select an available puppy or 3) go back on the list at the top of the list.

Deposits are NON Transferable. Once you have selected a puppy deposits are not transferable to another puppy or to go back to the Wait List. Once you select a puppy that is the puppy you will go home with unless you forfeit your deposit, place another deposit and 1) select another available puppy or 2) go back on the Wait List at the bottom of the list.

Please be sure you are ready to take a puppy home on the dates specified when you select that particular puppy. All puppies MUST go home on dates agreed. NO EXCEPTIONS. If you fail to pick up in the specified time frame, you forfeit the right to the puppy reserved.
